product sheet

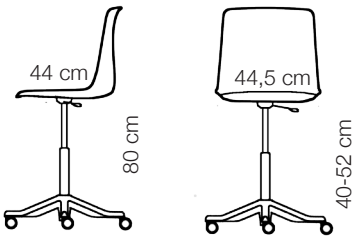
Public Swing

Public Swing is a swivel chair based on our bestseller Public.

The plastic shell chair comes in a wide ranging colour palette, so it easily can match the surroundings.

The textile for seat and backrest come in a variety of colour and fabric/design. Upholstery is delivered in Synergy or Fame. See brochure for full selection.

Public Swing comes with a black plastic five star base and wheels as standard. The chair can be supplied with gliders, armrests, aluminium five star base and / or foot ring.



Weight: 7,8 kg
