

S-1500 colours

S-1500, designed by Snøhetta, is a chair made of 100% recycled plastic from the fish farming industry in the north of Norway.

S-1500 is now available in a wide range of colours. Ocean green, Ocean blue, Ocean navy blue, Ocean olive green, Ocean yellow, Ocean red, Ocean brown and Ocean black.

Subframe is delivered in RAL colours customized to compliment the shell colours.

The colour shades will vary from batch to batch due to recycled material.
